From the Principal...

Welcome back

Welcome back to the start of Term 2. I trust you all have come back refreshed and ready to go for a busy term of learning. We have many events coming up over the next few weeks so please check the school calendar. A reminder to parents that student attendance matters and that every day counts. If your child is going to be absent please inform the school as soon as possible.

ANZAC Day

The ANZAC March will start at the school 9:45am on Tuesday, with the memorial service in the park to follow immediately. Students are asked to assemble at the school in uniform at 9:30 am sharp.

A huge thank you to Miss Sandra for working with all the students this week in preparation for the day.

Road Closure

As the community is marching on ANZAC Day, Main Street in Bollon will be temporarily closed from 9:30am to 11:00am.

Student Free day

Please note that there are 2 public holidays and 1 show holiday this term. ANZAC Day on Monday the 25th of April, and the following Monday, Labour Day on the 1st of May. The school show holiday is on Monday the 8th of May. There is no school on these days.

Cross Country

Save the Date! Bollon cross country will be held on Friday 12th May. The event will start at 8:30 sharp. Parents and community members are encouraged to come and cheer on the students. Last year was a fantastic event and I am certain 2017 will be even better.

A big thank-you

A big thank you to Julie Halliday, Vicki Weatherall and the rest of the Halliday family for mowing the lawns and for the use of their own mowing machine whilst the school lawnmower is temporarily out of commission. Thank you also to Mick Nancarrow. Your dedication to keeping the school grounds immaculate is truly noticed and appreciated.

Snow Camp

Camp payments are due at the end of week 2.

Senior Class News

We have NAPLAN and Cross country in week 4, three public holidays and snow camp all happening this Term hence the mantra for Term 2 is 'focused and on task'!

The English genre for this term is narrative, so a big push will be on creative writing. Whilst all strands of maths will be covered this term a focus will be the manipulating of time, fractions and multiplication number facts.

From week 4 onwards the senior students will be participating in the ready net go program on Wednesday mornings.

Miss Sumner

Junior Class News

Term 2 is another busy term in the junior class. In English we are exploring creative writing, poetry and retell. With the assistance on Miss Sumner, Ms Sandra and Ms Dunn junior class will be participating in Literacy Bootcamp once a week where students rotate in groups and look at different literacy skills.

Junior class have also begun training to be math masters with numbers and multiplication. Before students in Prep and year 1 can get their multiplication belts they first need the numbers belts showing they can count forward and backwards to different ranges of numbers up to 100. It has been pleasing to see some students already receiving math masters belts.

In Geography this term we are focusing on the world including continents and oceans. This week students learnt about compasses and their direction compared to the earth and how to use this information looking at a map.

Save the Date: Bollon supports St George with hosting the.....

2017 Queensland ICPA State Conference!

Inspiration through Education

When: 8 & 9 June
Where: Civic Centre, St George
How: With many valued volunteers from Bollon and Bollon ICPA
Why: State conference is the vehicle through which our voice reaches Canberra!

What Happens at an ICPA Conference?

Proposals are put forward in the form of "motions." They are voted on and either upheld or not. If upheld, ICPA State Councilors take the issues to the relevant Government Departments. This is where change can happen!

How Can I Help?

Bollon is responsible for catering for approx 200 guests & delegates on 8 June. This will require a mammoth effort. However, if everyone contributes what they can (donations of time, cakes or both) it will be a lot easier. As the time gets closer we will be seeking volunteers to help serving on the day, and home bakes etc from the capable kitchens of Bollon. If you are able to help or for more details please contact Kerry Cribb on 0428554913
